

(a) *Project need and design.* The degree to which the proposed project addresses the housing need(s) of the grantee as identified in the application, and the degree to which the proposed project is feasible while maximizing benefits to low-income families.

(b) *Planning and implementation.* The degree to which the financial, administrative, and legal actions necessary to undertake the proposed project have been considered and addressed in the application, and the degree to which the grantee has the administrative staff to carry out the project successfully.

(c) *Leveraging.* The degree to which other sources of assistance, including mortgage insurance, State funds, other Federal grants, and private contributions, are used in conjunction with HOME funds to carry out the proposed project.

**§ 954.106 Announcement of competition.**

A NOFA will describe the maximum points for each of the selection criteria and any special factors to be evaluated in awarding points under the selection factors. The NOFA will also state the deadline for the submission of applications, the total funding available for the competition and any maximum amount of individual awards.

[Approved by the Office of Management and Budget under OMB control number 2577-0191]

**§ 954.107 Grant conditions.**

HUD may impose reasonable conditions on grant awards.

**§ 954.108 Project amendment.**

(a) Grantees shall request prior HUD approval for all project amendments.

(b) HUD can approve an amendment to a project if:

(1) The amendment is due to factors beyond the control of the grantee; and

(2) The request for approval for a project amendment which involves \$100,000 or more includes all application components required by the NOFA published for the last application cycle (not necessarily the year in which the project was rated and ranked) and the modified project scores high enough to have been funded in the competition for the last application cycle. A rating

equal to or greater than the lowest rating received by a funded project during the last rating cycle must be attained by the modified project. The request for approval of an amendment for a project which involves less than \$100,000 does not have to include the components which address the selection criteria. It does require a description of and the reason for the modification.

(c) Approval of an amendment request is subject to the following:

(1) Demonstration by the grantee of the capacity to promptly complete the modified or new project.

(2) The preparation of an amended or new environmental review in accordance with Part 58 of this title, if there is a significant change in the scope or location of approved project.

(d) If a project amendment fails to be approved and the original project is no longer feasible, the grant funds proposed for amendment shall be deobligated by HUD and recaptured.

**Subpart C—Eligible Activities and Affordability**

**§ 954.300 Eligible activities.**

(a) *Eligible activities.* (1) *General.* HOME funds may be used by a grantee to provide incentives to develop and support affordable *rental* housing and *homeownership* affordability and to provide payment of reasonable administrative and planning costs. The housing must be permanent or transitional housing, and includes permanent housing for disabled homeless persons, and single-room occupancy housing. The specific eligible costs for these activities are set forth in § 954.303 and § 954.304.

(2) Acquisition of vacant land or demolition must be undertaken only as an integral part of a particular HOME new construction project.

(3) Manufactured housing. Purchase and/or rehabilitation of a manufactured housing unit qualifies as affordable housing only if, at the time of project completion, the unit:

(i) Is situated on a permanent foundation (except—for rehabilitation not involving purchase—when assisting existing unit owners who rent the lot on which their unit sits);
